Road), was on motion executed by the Board.

It having been brought to the attention of the Board that the Union Oil Company
have constructed a tank on property at Boeing Field recently leased to J. R. Blum
for hanger purposes, on motion said Union Oil Company was directed to move the tank
to a different location to be indicated by the County Engineer, and to bill the
County for the cost of removal thereof in a sum of not to exceed \$260.00.

The following Resolution No. 4202 was passed extending the Dr. Wm. H. Walsh
the Board's appreciation of his services rendered in connection with the con-
struction of Harborview Hospital:

RESOLUTION NO. 4202

WHEREAS, in the building and equipment of the new hospital for King County, for
which a bond issue of \$2,750,000.00 was voted, it was deemed necessary and advisable
to engage the services of a medical consultant on hospital planning, and

WHEREAS, upon the recommendation of the King County Medical Society, the
services of Dr. William H. Walsh of Chicago were engaged for the planning and equip-
ment of this hospital, now, therefore

BE IT RESOLVED that in view of the satisfactory services rendered by Dr. Walsh
in the planning and equipment of the hospital, the Board of County Commissioners
hereby tenders its commendation and appreciation of his valuable services.

Board of County Commissioners
King County, Washington/

Contract with the Shepard Ambulance Service Inc. for ambulance service
for Harborview Hospital System was on motion executed by the Board, as follows:

AGREEMENT

THIS AGREEMENT, made and entered into this 18th day of May, 1931, by and
between King County, a municipal corporation, hereinafter called party of the first
part, and SHEPARD AMBULANCE SERVICE, INC., a corporation, of Seattle, Washington,
hereinafter called the party of the second part,

W I T N E S S E T H:

That whereas said party of the second part has offered to maintain an ambulance
service for King County, more particularly specified in a letter dated April 10,
1931, and

WHEREAS in said letter it is specified that the party of the second part will
answer all calls from Harborview Hospital, the Georgetown Hospital, the County
Home and the Tuberculosis Hospital (Morningside) and other calls ordered by the
General Superintendent of the King County Hospital System for a flat rate of
seven hundred dollars (\$700.00) per month, and

WHEREAS it is understood that an ambulance will be maintained exclusively for
County use and that if necessary additional ambulances will be furnished as may be
needed to do said County work when ordered by the Superintendent, and that it will
also include highway emergency calls from the Sheriff's Office, and that

WHEREAS it is understood said ambulance service shall begin at once and continue
for a period of two years,

IT IS, THEREFORE, AGREED by and between the party of the first part and the party
of the second part that said ambulance service shall be furnished King County for
the sum of seven hundred dollars (\$700.00) per month. Said party of the second part
agrees to procure and furnish liability and property damage and collision insurance
for said vehicles in the sum of \$10,000 and \$20,000.00 public liability and to
indemnify and waive harmless the County of King against any damages that shall be
suffered or claimed or any injuries to persons or property during the period of this
contract. It is understood that the party of the second part does not agree to include
as a part of the service the transportation of contagious cases, nor of police emer-
gency calls that are now being taken care of by the City of Seattle, nor calls for
County employees that are taken to hospitals other than those operated by King County.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands and seals
the day and year herein first above written.

Communication was received from the Standard Oil Company of California requesting that repairs be made to dock approach at Portage, and on motion same was referred to the County Road Engineer for investigation and report.

Communication was received from A. S. Morgenstern, Insurance Agent for King County, setting forth recommendations regarding repairs to the elevators in the County-City Building, and on motion same was referred to the Building Superintendent for his attention.

Communication was received from Joe S. Pearson, Attorney for King County Ferry District No. 1, setting forth various facts in connection with sale of Ferry Lincoln to said district and outlining points of difference in connection with his opinion in the matter and those contained in opinion rendered regarding the sale of ferry "Lincoln" by the Prosecuting Attorney, and on motion said communication was referred to the Prosecuting Attorney for further report to the Board in the matter.

On motion the low bid of \$14.23 per ton on Oil Treated Stoker coal and \$15.40 per ton on nut coal, submitted by Scandia Fuel Company for supplying coal to County Departments, was accepted, in accordance with the recommendation of the Purchasing Agent.

On motion the low bid submitted by the International Harvester Company for furnishing two pick-up trucks for Road District No. 2 was accepted by the Board, in accordance with the recommendation of the Purchasing Agent, said bid being as follows: Two Units \$3,003.42 less trade in on a 1937 Dodge Sedan and a 1938 Buick Sedan of \$836.74, making their net bid \$2,166.68

On motion the low bid submitted by the Graystone Concrete Products for furnishing concrete pipe and entry bells for Road District No. 3 was accepted by the Board, in accordance with the recommendation of the Purchasing Agent, said bid being as follows: 252 feet 60" concrete at \$12.40 per foot and 72 ft. 12" concrete at .54 per foot.

Communication was received from Frank M. Hamiel regarding condition of roads in Jumeita Beach Camps Addition after installation of Water District No. 72 water-mains, mentioning particularly condition of Terrace Drive, and on motion this matter was referred to the County Road Engineer for investigation and report.

On motion the Purchasing Agent was authorized to advertise for sale one Johnson low pressure oil burner, maximum capacity 18 gals. per hour, single phase 12 H.P. motor with Magnatrol and gas ignitor, located at the King County Airport, in accordance with the recommendation of the Airport Manager.

On motion the Purchasing Agent was authorized to advertise for sale one steel storage tank, 10,000 gal. capacity, 8' high, 16' in diameter, 1/8 inch thickness, in sections, located at the King County Airport, provided, however, that said tank be transferred to Road District No. 3 in case same is necessary for use in said district.

Communication was received from Alvin Anderson, Director Department of Fisheries, requesting immediate information as to the Board's intention of constructing a fish ladder at Culverton Thornton Creek, and on motion this matter was referred to the County Road Engineer and Mr. McLean, Commissioner of the North District for attention, the matter having been held up pending receipt of opinion from Prosecuting Attorney requested by the County Road Engineer.

The King County Property Agent filed with the Board application of Seattle School District No. 1 to purchase county property at Corson Avenue and East Marginal Way, and in accordance with the recommendation of the Property Agent, on motion of Mr. Sears, seconded by Mr. McLean and passed unanimously, the County Treasurer was authorized to issue deed to the Seattle school District No. 1, upon the payment therefor of the sum of \$23,000.00, the following described property: that portion of L. M. Collin's Donation Claim in NW 1/4 of Section 29, Twp. 24 N.R. 4 E. W.M., described as follows: Beginning at the intersection of NE 1/4 margin of East Marginal Way and the SE 1/4 line of the abandoned bed of Duwamish River, thence North 75°43' East along said SE 1/4 line 44.74 feet, thence North 66°44' East 211.54 feet, thence South 22°31' East 88.2 feet, thence S. 11°30' East 116 feet, thence S. 47°14' 25" W. 197.36 feet, thence N. 75°30' W. 170 feet, thence S. 41° W. 160 feet to NE 1/4 margin of East Marginal Way, thence North 49° West along said NE 1/4 margin 327.85 feet to beginning; Subject to an easement for sewer over a strip of land 30 feet in width, granted to the City of Seattle by instrument dated May 16, 1916, recorded June 29, 1916 in Volume 947 of Deeds, Page 533, under Auditor's File No. 1068627.

The King County Property Agent submitted to the Board Application of Seattle School District No. 1 to purchase county property near the present Van Asselt School, and in accordance with recommendation of Property Agent, on motion of Mr. Greene, seconded by Mr. Sears and passed unanimously, the King County Treasurer was authorized to issue deed conveying to the Seattle School District No. 1, upon payment of the sum of \$200.00 therefor, the following described property: That portion of Government Lot 9, lying east of Military Road less north 450 feet; (Portion of Tax Lot 29) Sec. 28, Twp. 24 N.R. 4 East, W.M.

Board of Trustees of King County Hospital System filed report covering communication and protests filed by the Washington Pension Union, stating that all cases were carefully investigated and it is not felt by the Board of Trustees that these complaints were justified, and on motion said report was approved and copy referred to the Washington Pension Union.

Claim No. 2025 was filed by Dr. Robert S. Fidler for damage to property in the sum of \$1,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2026 was filed by Ethel L. Phalen for damage to property in the sum of \$2,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2027 was filed by Clarence E. Failing for damage to property in the sum of \$3,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2028 was filed by Joseph W. Bissell for damage to property in the sum of \$3,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2029 was filed by Walter C. Best for damage to property in the sum of \$5,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2030 was filed by Ira Berkey for damage to property in the sum of \$5,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Claim No. 2031 was filed by P. D. Edgell for damage to property in the sum of \$3,000.00 and on motion same was referred to the Prosecuting Attorney for investigation and report.

Petition was filed for the annexation of territory to Water District No. 75 and on motion same was referred to the County Auditor for checking of signatures thereon and to the County Road Engineer for checking of description.

Petition was filed by Harvey A. Warner and others, for oiling of South 166th Street between Military Road and 34th Avenue South, and on motion same was referred to the County Road Engineer for investigation and report.

In accordance with the request of the Airport Manager, the Purchasing Agent was authorized to call for bids for the oiling of ground space on Boeing Field, said bids to be submitted on a square yard basis for approximately 42,000 square yards, said bids to be opened May 7th, 1951.

Protests were filed by Gordon Mifflin and Louis Stokke against the use of motor boats on Lake Geneva, and on motion copies of Resolution No. 12260 regulating use of motor boats on non-navigable lakes in King County were referred to Mr. Mifflin and Mr. Stokke, and the matter referred to the King County Sheriff for such action as may be necessary under the provisions of said Resolution No. 12260.

On motion, Mr. F.W. Falls, Business Manager, Firland Sanatorium, was authorized to deliver to the King County Planning Commission equipment stored at the Firland Sanatorium, on a loan basis, as follows:

- 2 - Typewriter desks, center drop KC-13-KC-7
- 6 - Wire desk trays, Navy, 53-B3383
- 1 - Executive Chair, no arms, surplus, 26-CH-1720
- 2 - Posture chairs, surplus, 26-C-15119
- 1 - 4 Drawer legal file, oak (damaged) 26-S-31440
- 1 - 4 Drawer, 5 x 8 Card file, 2 wide, 2 high, (damaged) 26-C-2230 painted green.

Application was made by Karr, Tuttle & Campbell for purchase by KIRO Radio Sta. of county property located on Squak Mountain, and on motion this matter was referred to Mr. McLean, Commissioners of the North District, for conference with the Sheriff and Road Engineer, and report to the Board.

Harold T. Auswin submitted offer for the purchase of sheet metal lying on the grounds at the Maple Valley Repair Shops for the sum of \$10.00, and on motion same was referred to the County Road Engineer for investigation and report.

Journal of Proceedings of County Commissioners,

KING COUNTY, WASHINGTON

December 6th, 1954 - Cont'd.

Estimate No. 7-Final on contract with Bennett Campbell, Inc., for construction of the Voting Machine Storage Building was, on motion, approved in the amount of \$30,233.05 and the Chairman was authorized to sign.

Estimate No. 2-Final on contract with Weber Showcase and Fixture Company, Inc. for construction at Harborview Hospital, Unit No. 1, was, on motion, approved in the amount of \$9,142.47 and the Chairman was authorized to sign.

Easement agreements between King County and the City of Seattle for the existing 72" trunk sewer crossing were, on motion, approved, one easement for crossing two parcels of property at Boeing Field and one for crossing Norfolk Street right-of-way and the Chairman was authorized to sign and the original easements were ordered returned to the City of Seattle, Department of Engineering for acceptance upon the completion of the vacation of said Norfolk Street.

On motion the Chairman was authorized to sign construction, survey and exploration permit with the Corps of Engineers, U. S. Army, covering Tax Lot 54, Section 12, Township 22 North, Range 2 East of the Willamette Meridian (SE $\frac{1}{4}$, SE $\frac{1}{4}$, NE $\frac{1}{4}$) same to be effective as of December 1, 1954, and the Original and one copy of said permit was handed to the Property Agent for delivery to the Corps of Engineers, U. S. Army.

R.I.D. No. 12 (N. 186th Place)

King County Treasurer filed tracing of Plat of Equity's Upland Addition and, on motion, same was approved, Chairman authorized to sign and filed with the County Auditor for record, and bond in the sum of \$3,000.00, submitted to guarantee road construction, ordered placed on file.

County Engineer filed report regarding application of King County Water District No. 81 for a water franchise and in accordance with the recommendation contained therein, hearing in the matter was, on motion, set for January 28, 1957 at 9:30 A.M.

County Engineer filed report regarding petition of Ralph R. Caldwell, and others, for the vacation of a portion of S.E. 41st Street and in accordance with

County Engineer filed report regarding petition for a county road signed by Carl P. Lange, and others, said report stating this petition pertains to the extension of 10th Avenue N.W. which was under discussion during May, at which time the Board concurred in the recommendation of his office to hold the 10' of property now claimed by the County since it is along the 1/16 section line and would eventually be a part of 10th Avenue N.W., and since property owners have intimated that they were going to contest the County's position in the matter, said report suggesting that it would be desirable to postpone action on this request for establishment until the property owners have an opportunity to have the matter resolved, and, on motion, the Board concurred in the recommendation and ordered the report placed on file.

County Engineer filed report regarding communication from D. J. Smith regarding 81st Avenue S.E., said report stating Repair of 81st Avenue S.E. has been completed and the road is open for traffic and, on motion, said report was approved and since it contained information regarding the construction of water mains and sewers in the northerly portion of Mercer Island a copy of same, was directed to Mr. Smith for his information and the report was ordered placed on file.

County Engineer filed report regarding communication from the Asphalt Institute, signed by Rodney P. Ryker, District Engineer, with reference to competition in contract work, said report stating county roads must be designed for all types of traffic and he can see no practical reason to alter the present policy, and, after due consideration, the Board agreed that no change be made in the present policy and a copy of said report was referred to Commissioner Gibbs and a copy to Mr. Ryker and the report was ordered placed on file.

County Engineer filed report regarding communication from the Portland Cement Association with reference to the calling for alternate bids on concrete and asphalt surfaces for future King County highway work, said report recommending that no change be made in the present policy and, on motion, the Board concurred in the recommendation, and ordered the report placed on file.

Communication was received from Knapp and Knapp signed by Eugene H. Knapp, Jr., attorney for Mr. Leonard Westbo who owns certain property near Auburn, Washington, the north 30' of the tract located immediately to the south of Mr. Westbo's property has been deeded to the County for road purposes and upon which a Mr. Malinen has built a fence, which he refuses to move, and which necessitates the use of the southern edge of his property for ingress and egress by the neighbors, and, on motion, the matter was referred to the Prosecuting Attorney for whatever action is necessary.

Communication was received from the North Hill-Normandy Vista Community Club, Inc., with reference to the acquisition of the Angle Lake Plunge property and the appraisal thereof, and, on motion, same was ordered placed on file.

KING County Medical Society submitted resolution supporting plans for the earliest possible exclusion of sewage and sewage effluent from the lakes - Washington and Sammamish - and, on motion, same was ordered placed on file.

Notice of appeal from the decision of the Planning Commission was received from J. A. Clemans, Inc., on behalf of Marguerite Nelson, and, on motion, hearing in the matter was set for July 15, 1956 at 10:00 A.M., at which time a committee from the Planning Commission will be present.

On motion the Board accepted the resignations of Harry Johnson and W. C. Dennis Commissioners of King County Fire Protection District No. 24, and at this time the Board directed the Clerk of the Board to ask the remaining Commissioner of said King County Fire Protection District No. 24 to send in some recommendations for appointment.

Communication was received from Mrs. Cecil Moberg regarding checking of the 1200 block on Rose Street by the Sheriff's Patrol Units and the issuance of warning tickets to parking violators, and, after same was read, the communication was referred to the King County Sheriff for his information.

Communication was received from the City of Seattle, Department of Engineering, regarding a sanitary sewer along the easterly side of Boeing & Field, adjacent to Airport Way and extending from the vicinity of Chicago Street to a connection with a City sewer on the easterly side of Airport Way, just north of Morgan Street, which has been constructed by the County and requesting the County transfer same to the custody of the City of Seattle and grant an easement for sewer purposes 10' in width, being centered over the existing sewer and extending to a connection with Airport Way at Rose Street, and, on motion, same was referred to the County Engineer with the suggestion that he discuss the matter with the Airport Manager before reporting to the Board.

been advised that a permit will be issued if they desire to install culvert pipe in the ditch line in front of their property and in line with the established policy the property owners are required to purchase the pipe which will be laid by the county crews when they are working in the area, and, on motion, said report was approved and ordered placed on file.

Various communications were received requesting the Board of County Commissioners to purchase the land at 156th S. and Des Moines Way for public recreational purposes, and, on motion, said communications were read and ordered placed on file.

Communication was received from Ray W. Hinea, Manager, King County Humane Society for the Defenseless, requesting a meeting to discuss the agreement with King County, and, on motion, the matter was referred to the Budget Directors for checking and recommendation.

Report was received from Budget Director, F. Roy Knapp, with reference to transfer of funds to the King County Soil Conservation District, said report stating that after having a conference with the King County Auditor and R. G. Gallant they are of the opinion that the sum requested cannot legally be transferred as a lump sum and, in accordance with the recommendation contained therein the Board, on motion, directed that payment be made upon receipt of progress reports only, and said report was approved and ordered placed on file.

Communication was received from G. H. Culver, City Treasurer, City of Seattle, with reference to the Acquisition of Lot 4, Block 26 and Lots 1 and 2, Block 27, Hanford's Addition to South Seattle under the provisions of Chapter 238, Laws of Washington, 1947 by the City of Seattle from King County for a proposed East Duwamish Green-Belt area, said communication asking if the total amount of \$148.32 will be sufficient for the purchase of said property and, on motion, the matter was taken under advisement for the time being.

Communication was received from Stanley C. Hoffmann with reference to road maintenance within the proposed town of East Redmond if the election is successful, and, on motion, the matter was referred to the County Engineer for reply.

On motion the DECREE OF DISSOLUTION OF COMMERCIAL WATERWAY DISTRICT NO. 2 NO. 494024 was, ordered placed on file.

Mr. D. A. Witten, Manager of the King County Airport filed report on communication from the City of Seattle relative to taking over the sanitary sewer line on the east side of Boeing Field which was referred to the County Engineer and himself for study and report, said report stating a conference was held between himself and the Engineer and they agreed that the county should accept the city's offer on the following terms which were, on motion, approved:

1. That the City extend the present line on Boeing Field approximately 3,000 feet to the south to serve present and future tenants in that area.
2. That tenants on Boeing Field be permitted to connect to the sewer line without charge.
3. That Boeing Field be exempt from any sewer charges or taxes imposed by the City of Seattle and that this part of the agreement be retroactive to April 1st, 1956.

King County Planning Commission filed report of action on requests for permits and variances made by the Puget Sound Power and Light Company, and others, while in session on June 26, 1956, and, on motion, same were approved except the application of Mr. K. Dincov for renewal of Temporary Permit #393 to operate sand and gravel business with additional request for commercial removal of gravel with crushing and separating equipment, which was ordered deleted therefrom because a notice of appeal has been received in the matter and a hearing set for July 19, 1956 at 10:00 A.M.

On motion the Board concurred in the recommendation of the King County Planning Commission on request of Norman Wylde for a Use and Occupancy Permit to allow for a medical clinic and the necessary parking therefor, said clinic being located approximately 345' south of Normandy Park Road, east side of First Avenue South, and the report was ordered placed on file.

In accordance with the request of the Airport Manager the Purchasing Agent was authorized to call for bids for the installation of a drainage pipe line from the southwest portion of the runway to East Marginal Way - payment of the project is provided for in the 1956 Airport Budget.

The Prosecuting Attorney approved the proposed procedure of granting a new Quit Claim Deed from King County to the City of Bellevue conveying certain property for park purposes - said property being known as CHESTERFIELD PARK and, on motion, the aforementioned Quit Claim Deed was referred to the King County Treasurer for signature.

Communication was received from the Issaquah Chamber of Commerce opposing the establishment of an alcoholic rehabilitation center at a proposed site near Preston, Washington, and, on motion, same was ordered placed on file.
